Rooms with a softer rhythm

Three ensuite bedrooms offer the comfort of your own retreat within the home. Upholstered beds, warm lighting and a calm palette create a welcoming setting for restful nights and leisurely starts.

The two queen bedrooms suit couples or guests sharing a bed. The twin bedroom provides two separate sleeping spaces for friends or family members. Each room has an attached bathroom for privacy and convenience.

Queen bedrooms

Two welcoming rooms with queen beds, layered bed linen and understated decorative touches.

Twin bedroom

A bright room with two single beds, soft furnishings and an outlook towards the greenery.

Ensuite bathrooms

Three private attached bathrooms with shower areas, washbasins, mirrors and WCs.

The home has stairs. Discuss room allocation and mobility requirements with reservations before booking.

03 / LIFE AT THE VILLA

Warm interiors. Green horizons.

Settle into the lounge for conversation, a board game or a favourite film. Comfortable seating, artwork and natural textures make the living space an easy place to spend time together.

Outside, the balcony connects you to the leafy surroundings. Within the wider Amani community, the glasshouse cafeteria offers dining with mountain views, while a mini amphitheatre adds an open-air gathering space.

Villa comforts

Wi-Fi, Smart TV, bed linen, board games, music player, hairdryers, and an iron with ironing board.

Community dining

Dining is provided through the community glasshouse cafeteria and centrally managed kitchen. In-villa dining is not available. The cafeteria is a shared facility, rather than a private dining space reserved for Villa 10A.

Time outdoors

Enjoy the balcony and surrounding scenery. Ask the on-ground team about access to the amphitheatre and current availability of bonfire experiences.

Confirm meal charges, operating hours, advance-order requirements and optional experiences with the property team. Breakfast is not complimentary.

04 / EXPLORE COONOR

Let the hills set the pace

Coonoor blends tea country, heritage charm and dramatic scenery. Wander through Sim's Park, visit Lamb's Rock and Dolphin's Nose, or plan a heritage railway journey towards Ooty. Estate and factory visits depend on visitor access and advance arrangements.

A private car or pre-booked taxi is the easiest way to explore from the villa. Local attractions are outings by road, rather than immediate walking-distance landmarks.

By road

Approach from Coimbatore via Mettupalayam towards Coonoor, then follow the property location pin for the final approach to Hulical-Bengram Road.

By train

Mettupalayam is the nearest broad-gauge gateway; Coimbatore Junction offers wider connections. Continue by taxi, or take the Nilgiri Mountain Railway to Coonoor and arrange a road transfer.

By air

Coimbatore International Airport is the nearest airport. Pre-book your onward taxi and allow for hill-road traffic and weather.
